Every table is unique

Wood texture and wide growth rings create a distinctive pattern. Stained and lacquered wood reveals the pattern even more. Natural wood tends to change its colour over time.

You can adapt bench desks consisting of two desks to your office dynamics by using supplementary partitions which allow you to easily increase the number of workplaces.

NOVA Wood

NOVA Wood tables offer a subtle sense of luxury and create warm atmosphere thanks to their natural elements. The key distinct feature of these tables are elegant and uniquely patterned solid ash wood legs.

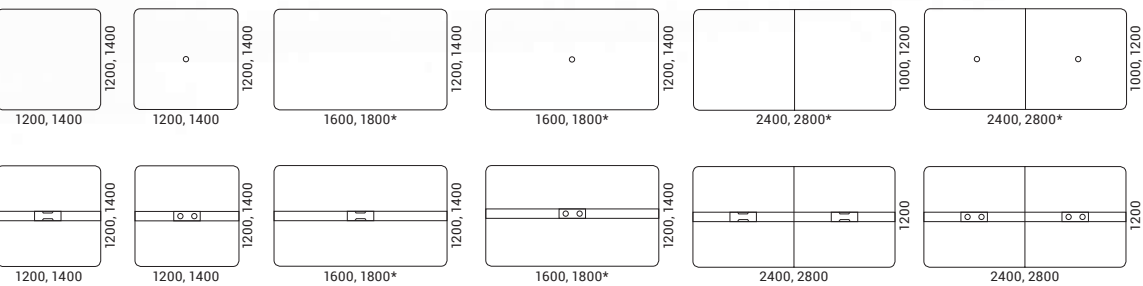

The meeting table has an ash tree veneer insert which is a well-thought out cable management solution for a meeting space.

Functional accessories and power options

With the help of accessories, you can create a functional and uniquely styled space. You can easily attach a display screen or a writing board to the table legs. Meanwhile, the shelving units will be a perfect place to accommodate water bottles or small office supplies. The office plants placed on top of the shelving units will help to create a more homely and private atmosphere. The electrical solutions integrated into the tabletop will ensure convenient access to power for your meeting equipment.

TABLES

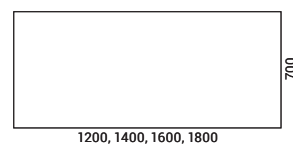

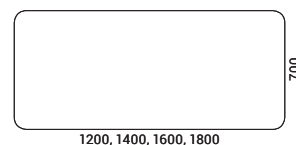

NOVA Wood

A touch of nature
in your office!

Perfect for spontaneous meetings with colleagues or a short coffee break, the NOVA high meeting table can become a subtle accent and provide your office interior with some extra warmth.

Table height allows you to have a meeting in either sitting position while using high chairs, or standing position which increases the team's engagement, work efficiency, and even health. These tables can also be combined with conference walls, that will let you use multimedia devices while presenting or simply charge your laptop and phone.
