

Perimeter

An extensive upholstery system

Product Description

Perimeter's modular elements offer multiple product combinations, configurations and upholstery options. Perimeter ranges from standalone bench and booth units through multiple length contemporary sofas (both low and high back) to linked scenarios for either open collaborative working or – when partially enclosed – greater privacy.

Perimeter's broad product range and architectural presence means this classic Orangebox design works equally well within confined spaces, large open-plan areas and vast atriums. Perimeter is a companion product to Boundary, sharing the same contemporary design and cast aluminum leg, which allows the ranges to be combined in scenarios where both single and double seating are required.

The two curved Perimeter units can be specified as either low or high back. The clarity of their architectural form and the ease with which they can be combined provides welcome diversity in configuration and makes them useful for space planning. As with the full Perimeter range, they work equally well with freestanding or linked tabling.

Perimeter's high back units, meanwhile, are valued for their ability to achieve privacy within open plan workspaces. The design allows designers and specifiers a wide choice in fabric selection, and the flexibility to either play with complementary blocks of colour or combine plain colours with more exuberant textures and patterns.

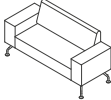

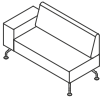

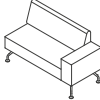

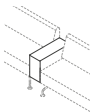

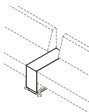

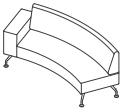

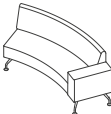

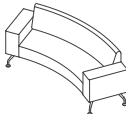

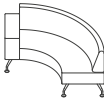

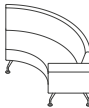

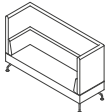

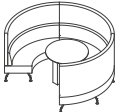

The banquette takes Perimeter into a precise function and space planning typology, with units linked back-to-back, and able to be combined with worktables, offering power and data connectivity. The sculptural cast aluminum leg can be replaced by a box base to suit different design schemes. As with the other upholstery systems, the Perimeter's fully updated full potential, scope and specification options are set out in our annual price list.

Product Specification

Standard Product Description

Frame: Plywood and hardwood frame with glued and screwed joints.

Foam: Vitafoam Reflex.

Edge Details: Square Edge as standard.

Legs & Glides: Die Cast Aluminium finished in Industrial Silver or Black Legs & Glides as standard.

Upholstery: Standard Upholstery. Arms will always be in the same fabric as the seat fabric.

Table Top Finishes:

Melamine – Walnut, Straight Grain Oak, Artisan Oak, Beech, Graphite, White or Grey.

Laminate Wood Grain – White Fleetwood, Natural Davos, Grey Arizona, Thermo Oak or Grey Bardolino.

Laminate Fenix – 0720 Nero Ingo, 0724 Grigio Bromo, 0718 Grigio Londra, 0725 Grigio Efeso, 0030 Bianco Alaska.

Banquette Tables – Column & Base: Finished in Industrial Silver or Black.

Banquette Tables – Edge Details: Melamine Square Edge, Melamine Chamfered Edge, Laminate Square Edge, Laminate Chamfered Edge.

N.B Do not mix low and high back models within a configuration.

N.B Striped fabrics are not suitable to use on curved Perimeter models.

Plinth on models 42 and 43 are coved in black vinyl.

Optional Upcharges

Edge Details: Chamfered Edge as an upcharge.

Legs & Glides: Polished Legs and Chrome Glides.

Upholstery: Comfort Upholstery or Two / Three Tone Upholstery available on some models.

Arms: Mounted monitor arm or power unit options available.

Power: Power options available.

Monitor Bracket: Tilting Monitor Bracket [TMB-01] available as an upcharge.

Banquette Tables – Column & Base: Available in Chrome / Brush Satin Steel finish.

Product Certification

Intertek Sustainability Clean Air Product Certification

Clean Air certification provides proof that products have been independently tested and found to conform to VOC standards and to the ANSI/ BIFMA Furniture Emissions Standards. All Orangebox products* have achieved Gold certification, excluding laminate products which achieve a Silver certification.

*With the exception of Fielding Tables.

BS EN 15373:2007
Test Level 2 - Strength durability and Safety.

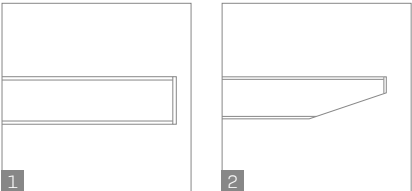

BS EN 1022:2005
Domestic Furniture - Determination of stability.

BS 4875-1:2001
Test Level 5.

BS 7945:1999

Table Finishes

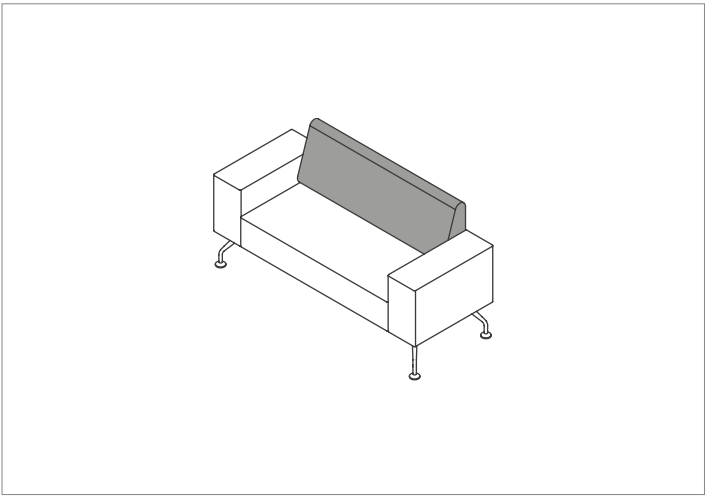

Edge Details

- 1. Square Edge
- 2. Chamfered Edge

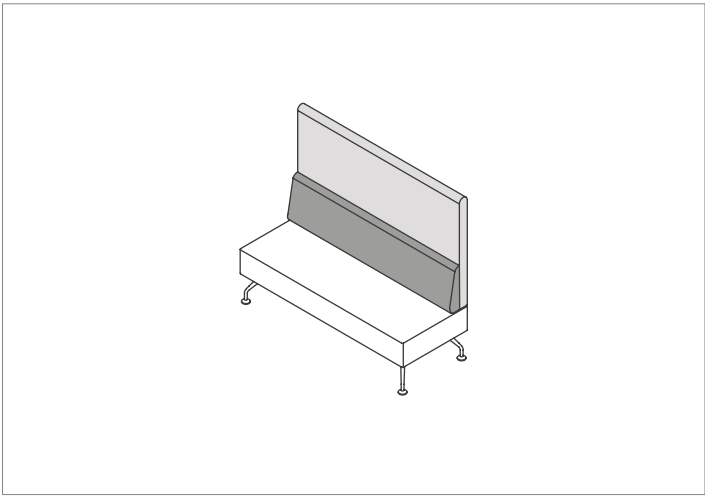

Fabric Selection

Two Tone Upholstery

Option 1 - Two Tone Upholstery

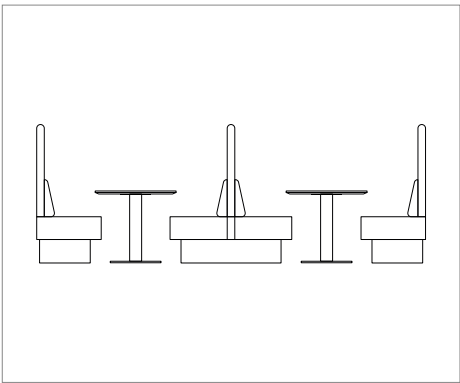

Seat and back and arms can be from different fabric ranges.

Option 2 - Three Tone Upholstery

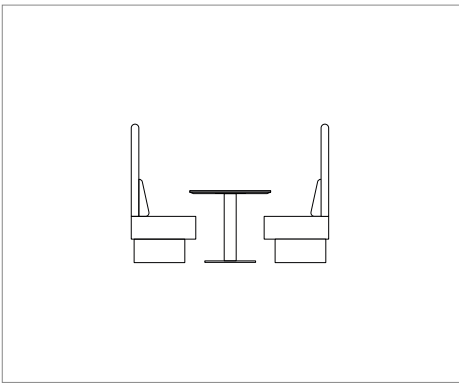

Seat, back and highback can be different fabrics.

Example Banquette Configurations
