

Scala

Design Anya Sebton

Absorption

Diffusion

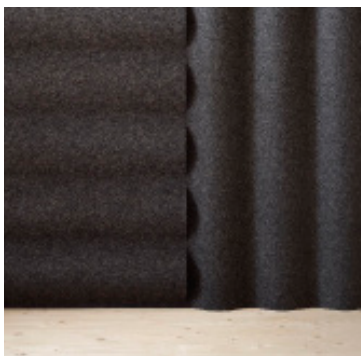

Design: Anya Septon

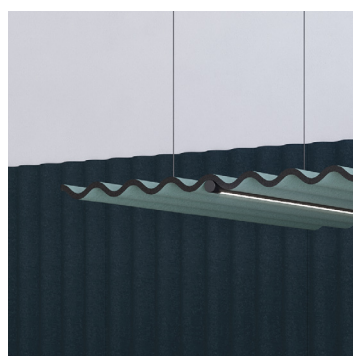

Designen på ljudabsorbenten Scala är inte bara utvecklad av visuella skäl, utan främst för att bidra till ett mjukare ljudlandskap. Scala är en lekfull parafras på korrugerad plåt där formens funktionalitet nyttjas.

The design of the sound-absorbent Scala is not only developed for visual reasons, but primarily to contribute to a softer soundscape. Scala is a playful paraphrase on corrugated iron that simultaneously employs the functionality of the shape.

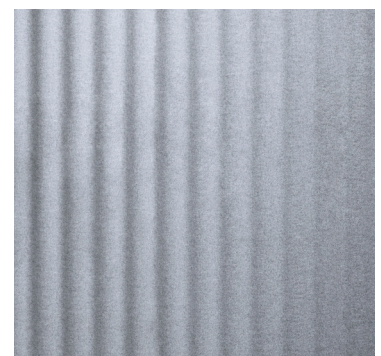

Den väggmonterade Scala finns i flera storlekar. Horisontell eller vertikal montering på dolda väggskenor.

The wall-mounted version of Scala is available in different sizes. Portrait or landscape format, to be hung on hidden wall brackets.

Den nedpendlade Scala hindrar ljudvågorna att fortsätta uppåt i rummet, vilket bidrar till ett behagligare ljudlandskap.

The ceiling-hung Scala prevents sound waves to continue upwards in the room, which contributes to a more pleasant soundscape.

Modulerna är tillverkade av formpressat filttyg med en ljudabsorberande fyllning. Scala är 100 % återvinningsbar, tyget är godkänt av EU Ecolabel.

The modules are made from compressed felt fabric with a sound absorbing core. Scala is 100% recyclable, and the fabric is approved by EU Ecolabel.

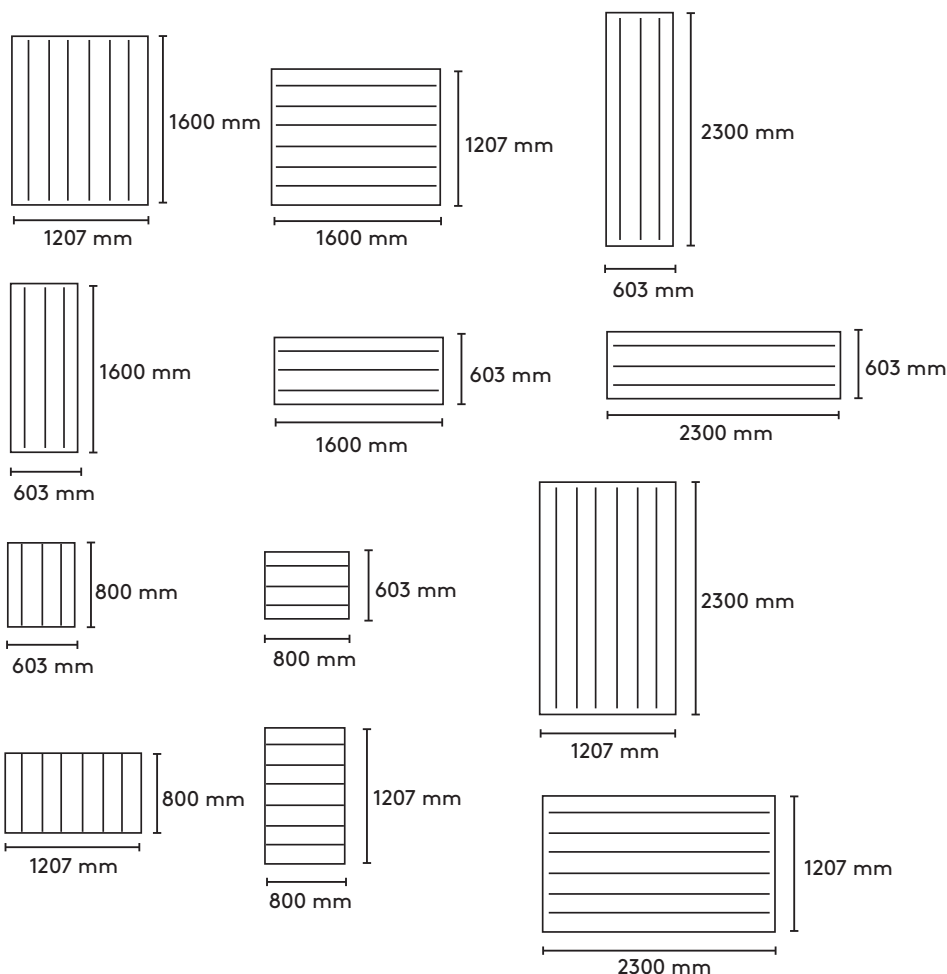

"The inspiration comes from the many houses in Iceland, where not only the roofs, but the facades too, are covered by corrugated iron. It gave birth to the idea of bringing it into the space."

Anya Sebton, designer

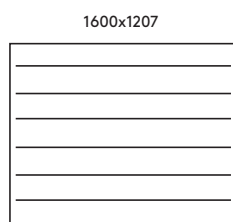

Väggmonterad/ Wall-mounted

Tak/ Ceiling

Den nedpendlade Scala går mot förfrågan att få med brandklassad fyllning enligt standard EN13501-1, B-S1,d0 och med Crib5-behandlat tyg. Inkluderar vajerkit för justerbar upphängning. Scala Tak är tillgänglig med eller utan belysning (vit eller svartbetsad ask). 230V input, LED belysning 3000 K, 1840 lm, spridningsvinkel 120°, 22 W. Trådlöst dimmer-kit finns som tillbehör tillsammans med artikel 19055100. På begäran kan produkten göras Dali-kompatibel.

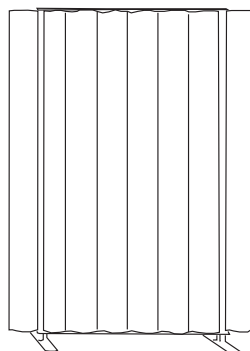

The ceiling-hung Scala is on request available with fire-rated filling according to standard EN13501-1 B-s1, d0 and with Crib5-treated fabric. Includes wire kit for adjustable suspension to the fittings on backside. Available with or without integrated lighting (white or black stained ash). Scala ceiling is available with or without lighting (white or black stained ash). 230V input, LED lighting 3000 K, 1840 lm, scattering angle 120 °, 22 W. Wireless dimmer kit is available as an accessory along with article 19055100. On request, the product can be Dali-compatible.
