Reception Systems

A spacious work surface and functional accessories: the Z1 exudes order and practicality.

The cable basket and flap discreetly conceal all wiring to guarantee the aesthetic appearance of the product.

Furnish with light: the LED strips highlight the rational geometry of the Z1's lines, clearly defining the intersection between the modules and underlining the dialogue between the main body and the base on which it sits.

The LED lights complete
the composition,
illuminating the
space and creating a
welcoming atmosphere.
